## Tenant Notice

Attention: All Tenants

### **RE: VIDEO SURVEILLANCE AT ALL WESGROUP PROPERTIES**

---

We are always working on ways to ensure the safety and security of our Tenants, Tenants' assets and property, and our buildings.

In the first quarter of 2006, we launched video surveillance at all of our properties. With the latest technology in CCTV video surveillance equipment and software, we hope to further secure our sites from unforeseeable occurrences. The surveillance applications will be managed by authorized Wesgroup personnel only, and images at specific times will be retrievable in the event of a security breach.

The cameras will be installed on the exterior of the buildings, and although this will not stop vandalism or break and enters completely, it will help prevent them from occurring.

We ask that you report all suspicious onsite activity to your local police first, and then inform the Wesgroup Service Centre at 1 866 937 7782.

Thank you,

WESGROUP PROPERTIES LP
